MINI STUDY ABROAD AT HOME

Want to share your country and student life with local students?
Join our “Mini Study Abroad at Home” Conversation Space as a guest!

You can talk about topics like:

- “A day in the life” of a student in your country
- Things that surprised you in other countries
- Places you want to visit and why
- School calendars, vacations, and part-time jobs
- Small culture shocks (good or funny) you’ve experienced

No perfect English or Japanese needed – just your stories and experiences!
Meet friendly local students, practice English together, and make the campus feel a little more global. If you are interested, please register using [this link](#) or the QR code below!
